GUIDELINES

New Loan Forgiveness Program For Future Math, Science And Special Education Teachers

The Arizona Board of Regents announces the **Arizona Loan Forgiveness Program for Math, Science and Special Education Teachers**, effective January 2008. This program allows selected students to take out loans which will be subsequently “forgiven” for those who meet specific teaching requirements.

The Math, Science and Special Education (MSSE) program is designed to encourage talented students to enter the teaching profession and teach in Arizona. This program requires a commitment to teaching Math and/or Science in a middle school or high school, or Special Education in K-12.

Award Amount

The loan may cover up to the cost of in-state tuition, mandatory fees, and materials. The loan can be received for up to five years of full-time enrollment.

Requirements for Loan Recipients

- Be a resident of the state of Arizona and eligible for in-state tuition.
- Be accepted for admission to, or currently enrolled in a course of instruction with the intent to attain licensure as a teacher in math, science or special education at one of Arizona’s public universities.
- Be pursuing their first bachelor’s degree.
- Enter into an agreement with the Board of Regents to teach in an Arizona public school in a term equal to the number of years of loan received, plus one year.
- Sign a promissory note acknowledging the conditions of the loan and promising to repay the loan amount plus interest if teaching obligation is unmet.
- Recipients must remain in good academic standing at the university. May receive the loan for up to 5 years of full-time study.

General Criteria

Applicants will be selected based on the following criteria.

- Demonstrated academic aptitude in identified teaching area (Math, Science, or Special Education)
- Evidence of likelihood to succeed in a teacher preparation/certification program and to pursue teaching after graduation.
 - Admission into a teacher preparation/certification program
 - Experience working in a school, either as a volunteer or as part of an academic program
 - Related experiences working with youth, such as in camps, religious organizations, etc

- Compelling statement, not to exceed 300 words, regarding why the applicant wants to be a teacher
- Provide the name and contact information of an academic reference. This is an individual (teacher or professor) who can attest to student's potential skills as a teacher in the desired field (math, science, or special education) and commitment to the profession of teaching.

Application Package:

Submit 2 copies of your completed application to the Arizona Board of Regents:

Please include the following:

- Program Application
- Essay
- Academic Reference
- Transcript/Test Scores

Student must have a FAFSA on file at the university they will be attending.

Eligibility Criteria:

Students who meet minimum requirements comprise the applicant pool and will be ranked based on their application package. All qualified applications are considered on a first-come, first-served basis, based on credit hours completed at time of application.

MATH/SCIENCE:

- Students who will have completed 60 credit hours including 18 hours in Math and/or Science
- Students who have completed 45-59 credit hours including 12 hours in Math and/or Science.
- Students who will have completed 30-44 credit hours including 9 hours in Math and/or Science.

Students with less than 30 credits must have completed 4 years of Math and 3 years of Science in high school and have achieved a 3.0 on a 4.0 scale in both the math and science courses.

SPECIAL EDUCATION:

- Students who have completed 60 credit hours and are admitted into a formal special education baccalaureate program.
- Students who have completed 30-59 credit hours and demonstrated experience in working with special education populations, and have completed courses relevant to the special education major (such as an introductory course to special education).
- Students who have completed less than 30 credit hours; and expressed interest in special education

Deadline:

Completed application package must be postmarked between published dates for each semester of application.

Fall 2008	Between March 17 and March 26, 2008
Renewal: Fall 2008	Between March 10 and March 26, 2008

Recipient Obligation

Recipients are advised to be seriously committed to teaching in Arizona in a term equal to the number of years of loan received, plus one year. If the recipient selects a different major, curriculum emphasis, or does not teach in Arizona in the specified curriculum within 12 months of graduation, the loan becomes payable, in full, on all unsatisfied amounts released by the Board of Regents.

The rate of interest is set annually, on July 1, at 1% above the current subsidized loan rate or 7%, whichever is greater. The interest applies from the date the funds were released by the Board of Regents.

Continuation of Loans

Continuation or renewal of loans in subsequent years is based on legislative funding of the program. There is no guarantee of loans for additional academic years.

Receipt of a loan does not guarantee admission to a program leading to teacher certification.
