Statement from the Arizona Board of Regents President Eileen Klein on Veterans Day

This Veterans Day, the Arizona Board of Regents joins all Americans in honoring the service and sacrifice of our United States Armed Forces.

From those who fought in battles past to soldiers currently serving, we are deeply grateful for their bravery and unwavering commitment to our country.

Their sacrifices - and those of their families - make it possible for all Arizonans to pursue their dreams. The Board, along with the more than 30,000 employees of Arizona's public universities, stand ready to serve them as they pursue their dreams of a higher education, whether still in service or when they return home.

Please join the Regents in remembering and thanking our veterans on Monday.
