2019

ABOUT THIS REPORT /

FOR MORE THAN 20 YEARS, academic leaders from each of Arizona's public postsecondary institutions have collaborated to support transfer student success. Known as the AZTransfer Steering Committee, this coordinating body ensures Arizona's students have access to efficient, seamless, and simple ways to transfer from a community college to a university in Arizona.

Born out of legislation passed in 1996, the AZTransfer Steering Committee works to fulfill a promise to provide high-quality educational pathways that lead to baccalaureate degree completion for all Arizonans. This report highlights results, services, and innovations in the 2018-2019 academic year that deliver on that promise and elevate students in Arizona.

/ make every credit count /

VISION /

College degree pathways are accessible to all Arizonans.

MISSION /

The AZTransfer Steering Committee, an organization of academic leaders, supports successful application of transfer credits leading to degree completion for students in all public and tribal higher education institutions in Arizona.

VALUES /

The decisions and actions of the AZTransfer Steering Committee demonstrate our:

- Purpose is to promote and support student academic success;
- Leadership is transparent, collegial, collaborative, and proactive;
- Decision making is data-informed and outcome-focused;
- Fiscal stewardship is financially responsible and goal-oriented.

YEAR IN REVIEW

AZTransfer's major events, milestones, and annual activities
in the 2018-2019 academic year.

2018

Hosted a training workshop for admissions, outreach, and recruitment professionals

Annual training retreat for AZTransfer Facilitators

Published report on new transfers with 12 or more Arizona Community College Credits

JUL

AUG

SEP

OCT

NOV

DEC

Steering Committee Meeting

Hosted 14 ATF Meetings

Admissions & Records ATF Meeting

Published a benchmark report of community college course success by subject and a transfer performance report of GPA in the junior year

Annual report presented to the Arizona Board of Regents

Annual report presented to the Arizona Community College Coordinating Council

Hosted three ATF meetings

General Education ATF meeting

Executive Committee Meeting

Hosted a training workshop for high school counselors

Executive Committee Meeting

Published report on new freshmen entering with Arizona Community College Credits

Hosted 25 ATF Meetings

Honors Community of Interest Meeting

Annual reports distributed to stakeholders
AZTransfer Facilitator Meeting

2019

ACETS Users Meeting

FAST FACTS

A snapshot of data related to student transfer among Arizona public community colleges and universities as reported in 2018-2019.

16,029

university graduates had credit from an Arizona community college

4,623

stakeholders on the AZTransfer email list

COMPUTER & INFORMATION SCIENCES

major with the greatest five-year increase for baccalaureate degree recipients who entered as new transfers

33.7%

five-year increase in minority baccalaureate degree recipients who were new transfers

1,374

faculty engaged in articulation task forces

52.5%

of new transfer students entered with 60 or more credits

16,603

number of Arizona community college courses evaluated by ASU, NAU, and UA

95.4%

of Arizona community college courses evaluated are transferable to at least one Arizona public university

10,355

number of new transfers to ASU, NAU, and UA from Arizona community colleges

BUSINESS

number one major of new transfer students

5,134

number of new university freshmen who entered with Arizona community college credits

260

AZTransfer Summit attendees in 2019

75.7%

six-year graduation rate of new transfer students who entered with an associate's degree

ARTICULATION TASK FORCES

Articulation Task Forces (ATFs) are the heart of AZTransfer's faculty-driven transfer model. Each fall, 1,374 faculty in 43 academic disciplines convene to evaluate course transferability and discuss curricular alignment. The outcome of these meetings provides the content for the tools and resources on AZTransfer.com that students, advisors, and counselors use to plan a seamless transfer. In addition to these discipline specific ATFs, academic advising, admissions and records, and general education ATFs meet several times a year to address issues and trends in student support and general studies.

TRANSFER SYSTEM COMPONENTS

Work performed through the Articulation Task Force network is the foundation of the Arizona Transfer System. The components of the system work together to help students plan a seamless transfer without loss of academic credit. Students build a transfer degree plan by completing the Arizona General Education Curriculum (AGEC), common courses, and electives, and supplement this with credits earned through dual enrollment and exams.

ARIZONA GENERAL EDUCATION CURRICULUM

The Arizona General Education Curriculum (AGEC) is a foundational block of coursework completed at an Arizona community college. The AGECE consists of 35-37 credit hours of courses in English, math, social and behavioral sciences, physical and biological sciences, and arts and humanities. Through Articulation Task Forces, faculty determine which courses fulfill the requirements at their respective institutions and maintain transferability.

COMMON COURSES

Common courses are lower division courses that apply toward a mapped bachelor's degree program.

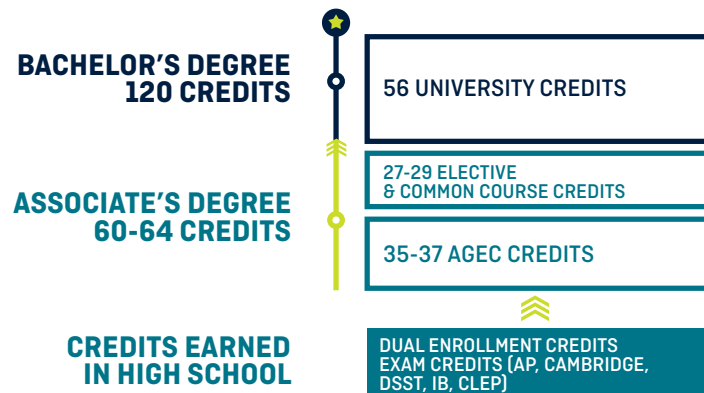

MAJORS & DEGREES

Associate's and bachelor's degrees are aligned within each ATF academic discipline. The transfer system maps these degrees for majors offered at two or more of Arizona's public institutions. See page 19 for a list of all majors included in the system.

TRANSFER DEGREE STRUCTURE

Transfer degrees are comprised of three blocks of courses— AGECE, elective and common, and upper division university courses. Up to 64 community college credits can be transferred to the university and applied toward a bachelor's degree.

Students completing dual enrollment courses or exams for credit may apply those courses toward an associate's degree.

LEARNING RESOURCE

TOOLS & RESOURCES

AZTransfer develops and maintains web services and other resources directly related to operating the Arizona Transfer System and promoting transfer opportunities and programs. These tools and resources ensure faculty, staff, and students have access to transfer information from anywhere in the state. Many tools are refreshed daily while others are updated annually or as needed.

COURSE EQUIVALENCY GUIDE

The Course Equivalency Guide (CEG) is a statewide database that provides detailed information on how community college courses transfer to the three public universities (Figure 1). Users can search for course equivalency by subject, institution, and course number. Course data from each of Arizona's public and tribal community colleges and universities is represented in the CEG.

A feature added in 2018-2019 is a community college to community college CEG. This tool shows how courses transfer among Arizona public and tribal community colleges.

DUAL ENROLLMENT GUIDE

Dual Enrollment courses are community college courses taken in high schools. The Dual Enrollment Guide shows how these courses transfer to Arizona's three state universities.

EXAM EQUIVALENCY GUIDE

The Exam Equivalency Guide (EEG) shows users how exam scores may translate to college credit at Arizona community colleges and state universities. The EEG provides information on five testing programs-- Advanced Placement (AP), Cambridge International Examination (CIE), College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), and International Baccalaureate (IB).

figure 1 / course equivalency guide

figure 2 / equivalency guide testing programs

figure 3 / major & degree guides

figure 4 / marketing collateral

MAJOR & DEGREE GUIDES

For students who have selected a major but not a university, Major & Degree Guides (Figure 3) link associate's degrees to their related bachelor's degrees for majors that are offered by two or more of Arizona's public universities. Major & Degree Guides provide a list of recommended lower division courses at the student's community college that will meet the requirements for that major at any of the three universities.

MOBILE APP

The AZTransfer mobile app offers on-the-go course planning and is available for both iOS and Android devices. The mobile app includes data from the Arizona General Education Curriculum, Course Equivalency Guide, Exam Equivalency Guide, and the Majors & Degrees Guide.

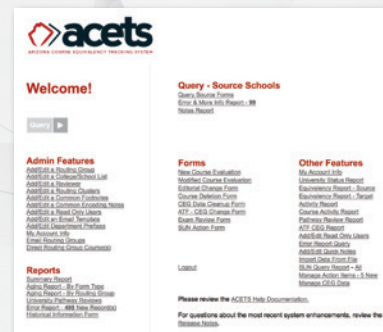

MARKETING COLLATERAL

AZTransfer provides marketing collateral (Figure 4) and promotional items to each member institution by request. The materials are used in orientation packets, during advising sessions, as a compliment to recruitment and outreach efforts, and more. A general transfer brochure, a handout specifically about the Arizona General Education Curriculum, and a card describing Dual Enrollment and Credit by Exam are currently available.

ARIZONA COURSE EQUIVALENCY TRACKING SYSTEM

The Arizona Course Equivalency Tracking System (ACETS) is a web-based application that tracks course equivalency decisions, as the courses move through the statewide evaluation and articulation process (Figure 5). ACETS supports all decision-making required to establish equivalencies in Arizona beginning with the initial request for an equivalency evaluation and ending with the creation of a report to be used by Arizona university encoders. ACETS tracks the time frame for course equivalency from source institution to target institution and triggers a report to target institutions when timelines are outside normal boundaries. A target school records its decision in ACETS within 45 days and encodes it within 15 days. Institutions can check recent information activity by querying the database.

figure 5 / acets

ACADEMIC CURRICULUM REVIEW AND EVALUATION SYSTEM

The Academic Curriculum Review and Evaluation System (ACRES) is available for Arizona institutions to use for their formal internal curriculum review and evaluation process (Figure 6). Curriculum approved through ACRES can be submitted directly to ACETS with a single click. Other institutional processes can also be deployed in ACRES such as Program Approval forms, Institutional Degree/Certificate forms, Employee Development, and more.

ARIZONA STATE SYSTEM FOR INFORMATION ON STUDENT TRANSFER

The Arizona State System for Information on Student Transfer (ASSIST) is a relational database containing enrollment and degree information on students attending Arizona’s public universities and community college districts.

FACULTY & STAFF PORTAL

The Faculty & Staff Portal is a comprehensive resource for the Arizona Transfer System. From the portal, faculty and staff can access their ATF’s dashboard where they can find meeting details, contacts, resources, and more. Discipline-specific ATF dashboards also contain the course prefixes, exam matrix, course matrix, and degrees associated with the discipline.

Similar dashboards for the AZTransfer Steering Committee, Executive Committee, AZTransfer Facilitators, Communities of Interest, and Workgroups are also accessible from the Faculty & Staff Portal.

Institutional and statewide staff can login through the portal as an ATF Administrator to maintain membership databases, curriculum (prefixes, degrees and pathways), meeting reports, and the master statewide calendar for AZTransfer’s Articulation Task Forces.

USER MANUALS

AZTransfer publishes four web-based user manuals: the ATF Handbook & Policy Manual, Website Users Manual, Technology Users Manual, and the ASSIST Users Manual. These manuals can be accessed online via the Faculty/Staff portal page (Figure 8).

TRANSFER DATA REPORTING

The Arizona State System for Information on Student Transfer (ASSIST) is a relational database containing enrollment and degree information on students attending Arizona's public universities and community college districts. Using this data, AZTransfer provides a statewide snapshot of progress toward improving transfer and degree attainment in Arizona.

BACCALAUREATE DEGREE RECIPIENTS / who entered as new arizona community college transfers

BACCALAUREATE DEGREE RECIPIENTS / in 2017-2018

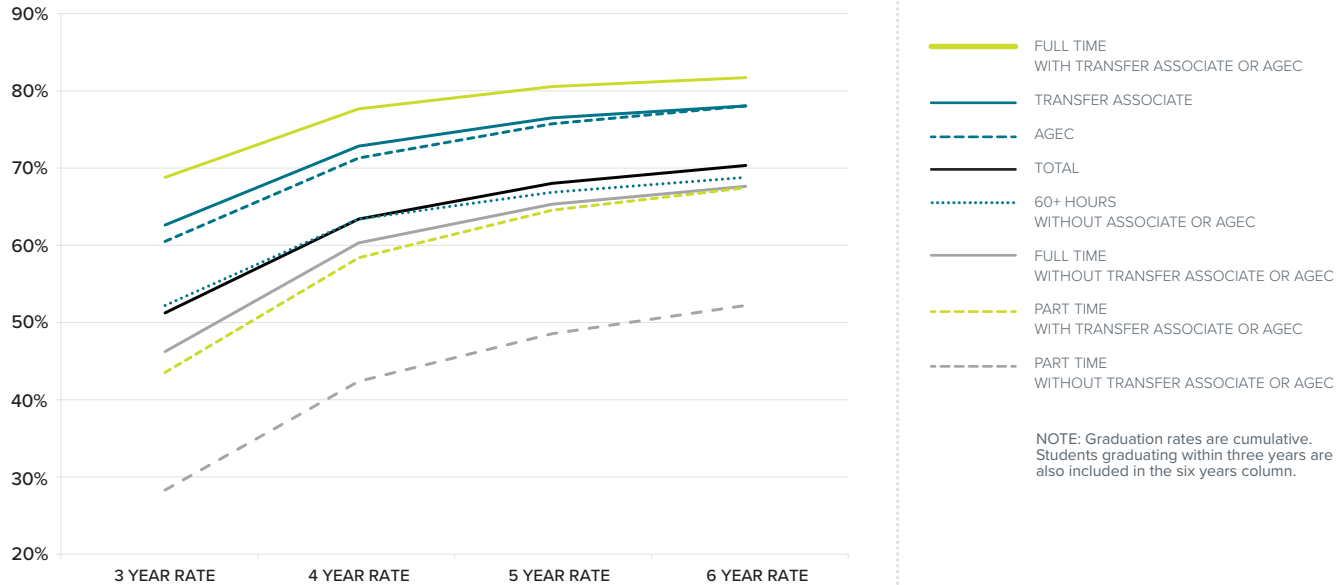

NOTE: Students transfer hours from multiple institutions, including out of state, and private. A "new transfer" has 12 or more hours earned credits from any and all institutions attended since graduating high school, and a "new freshman" has zero or less than 12 earned hours at the postsecondary level since graduating high school.

CREDIT HOURS TRANSFERRED AT ENTRY / by new transfers from arizona community colleges

	2013-14	2014-15	2015-16	2016-17	2017-18	2018-19
