## **Statement from Arizona Board of Regents on Proposed K-12 Education Funding Plan**

*The following statement is  
attributed to ABOR Chair Jay Heiler*

“The Arizona Board of Regents strongly supports Gov. Ducey in his effort to lead the parties to a settlement of the Proposition 301 lawsuit, and the provision of additional funding resources and reform energy in the K-12 system. We continue to review the proposed settlement provisions as they become available. Settlement of this lawsuit allows state leaders to move on to other important education efforts, including the higher education reform agenda.”
