## **Statement from the Arizona Board of Regents on Terms of Settlement with Arizona Students Association**

"The Arizona Board of Regents (ABOR) and the Arizona Students Association (ASA) have come to terms on a settlement of the lawsuit involving the collection of ASA's dues. The ASA brought suit in 2013 after ABOR changed the manner in which Arizona's three universities collected dues from students on behalf of the ASA from an "opt-out" to an "opt-in" system. The case is currently pending in federal district court. The terms of the settlement will be released following approval by ABOR and ASA's governing boards. The parties are pleased that they have been able to resolve their differences and look forward to working together towards their common goals as they have done for many decades."
