Additional information on the Board is available at https://azregents.edu.

1.2. Proposal Background
1.2.1. ABOR is requesting sealed Proposals from qualified Proposers to design and execute a representative survey/poll of perceptions, attitudes, behaviors, and messaging impact of higher education accessibility among the Arizona Latino community and to provide a statistical analysis of survey results.

1.2.2. This Request for Proposal (RFP) is part of a competitive negotiation process intended to allow ABOR to obtain goods and/or services as outlined herein in a manner that is most advantageous to ABOR. This RFP provides ABOR the flexibility to negotiate with Proposers, if desired, to arrive at a mutually agreeable relationship. Price may weigh heavily in the evaluation process but will not be the only factor under consideration and may not be the determining factor. All Proposals will be considered public records and will be available for review, as allowed by Arizona law and the Code.

1.2.3. It is ABOR’s intent to select the Proposal(s), which are most favorable to ABOR in all respects, including scope, availability of services, quality of services, reputation, and price. If not otherwise stated herein, multiple Awards may be made or an Award(s) may be made partial, by part, by line item, or by any combination of parts if identified as being in the best interest of ABOR.

1.2.4. The initial Contract term will be for 1 year with the possibility of renewals, for a total term not to exceed five years.

1.3. Coverage and Participation. Unless objection is submitted with the Proposal, it is the intent of ABOR that any Award resulting from the RFP be available for use by ABOR and any other Arizona University, along with any other educational institution or Governmental entities, to the extent allowed by Arizona law and the Code.

1.4. Communications. All questions or inquiries relating to this RFP must be directed to:

3. **INSTRUCTIONS TO PROPOSERS**

3.1. **General Requirements.**

3.1.1. The data, specifications, and requirements outlined herein are intended to serve as a general guideline for ABOR’s requirements. Proposers should submit a fully detailed Proposal that adequately describes the advantages and benefits to ABOR. Proposers should provide a detailed response to each requirement in this RFP, individually numbered to match each requirement. At a minimum, in such case where a detailed response is not applicable, each Proposer should indicate their ability to comply with and/or agreement to the requirements of this RFP. Proposers are encouraged to provide any additional information that is not specifically identified in this RFP that would assist ABOR in making its evaluations based upon the disclosed evaluation criteria.

3.1.2. Any Person submitting a Proposal shall be deemed to have read and understand all the terms, conditions, and requirements in this RFP.

3.1.3. ABOR shall retain this RFP, and all related terms and conditions, exhibits and other attachments, in original form in an archival copy. Any modification of these, in the Proposer’s submission, is grounds for immediate disqualification.

3.1.4. Proposer agrees that ABOR will not pay for or be responsible for any cost or expense incurred by Proposer in the preparation, submission, presentation, or any other action connected with proposing or otherwise responding to this RFP.

3.1.5. 3.1.6. Proposer may withdraw their Proposal any time prior to Opening. Proposer may request to withdraw their Proposal after Opening and any time prior to selection and notice of Award. ABOR shall have sole authority to grant or deny such a request. In the event ABOR grants such a request, it may withhold issuing future Requests for Proposals to such Proposer.

3.1.7. All Proposals and accompanying documentation will become the property of ABOR at the time the Proposals are opened. It will be the Proposer’s responsibility to request that samples be returned to the Proposer and provide a method for doing so at the expense of the Proposer. If such a request is not received and a method of return is not provided, all samples shall become the property of ABOR forty-five days from the date of Award and may be disposed of in ABOR’s sole discretion.
3.1.8. Collusion with other Proposers or employees thereof, or with any employee of ABOR, is prohibited and may result in disqualification of the Proposer and/or cancellation of an Award. Any attempt by the Proposer, whether successful or not, to subvert or skirt the principles of open and fair competition may result in disqualification of Proposer and/or cancellation of an Award.

3.1.9. Each Proposer shall ensure that no improper, unethical, or illegal relationships or conflict of interest exists between or among the Proposer, ABOR, and any other party to this RFP. Without limiting the foregoing, Proposer shall refrain from offering or giving gratuities, in the form of entertainment, gifts or otherwise, to any officer or employee of the State of Arizona with a view toward securing a Contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such Contract. ABOR reserves the right to determine the materiality of such relationships, when discovered or disclosed, whether intended or not; and to decide whether or not Proposer disqualification and/or cancellation of an Award shall result.

3.1.10. If any Proposer or any of the Proposer’s employees, agents, or other representatives participating in this RFP need, or have questions about ABOR’s accommodations for people with disabilities, arrangements can be made by contacting Mary Adelman at 602-229-2523 or mary.adelman@azregents.edu. Such requests should be made as early as possible to allow time to arrange the accommodation(s).

3.1.11. ABOR shall have the right to use any ideas that are contained in any Proposal received in response to this RFP, along with any adaptation of such ideas. Selection or rejection of the Proposal shall not affect ABOR’s right of use. 3.4. **Small Businesses.** ABOR is committed to the development of Small Business and Small Disadvantaged Business (“SB & SDB”) suppliers. If subcontracting (Tier 2 and higher) is necessary, Proposer (Tier 1) will make commercially reasonable efforts to use SB & SDB in the performance of any Contract resulting from this RFP. Proposals should include a description of the Proposer’s efforts to solicit SB & SDB participation in providing the services.

3.5. **Substitute Materials.** Unless specifically stated to the contrary, any manufacturer's names, trade names, brand names or catalog numbers used in the specifications of this RFP are for the purpose of describing and/or establishing the quality, design and
performance required. Any such reference is not intended to limit or restrict any Proposal and is included in order to advise on ABOR’s needs. Any Proposal, which proposes like quality, design or performance, will be considered.
4. **SCOPE OF WORK**

4.1. ABOR is soliciting proposals for a contractor. In consultation with ABOR staff, the successful bidder will design, coordinate, implement, and evaluate a statistically valid and representative survey/poll of perceptions of and attitudes towards higher education accessibility among the Arizona Latino community and to provide a statistical analysis of survey results. This survey will identify factors, policies, and messaging that discourage, impede, influence and/or encourage Arizona Latinos from pursuing a college education.

4.2. **Background.** Increasing Latino degree attainment is imperative to Arizona’s social and economic future. Latino students constitute a large and rapidly-growing proportion of all K-12 enrollments in Arizona. While rates of Latino college enrollment and completion have improved in recent years, they continue to lag the Arizona average, and significantly trail the national average. In order to address the current disparity in educational attainment ABOR needs to better understand the Latino community’s attitudes, behaviors, and perceptions of access to higher education as well as the extent to which various hypothesized factors (financial obstacles - both real and perceived, inadequate K-12 academic preparation, lack of awareness of college admission requirements, lack of family support, geographic distance, cultural barriers etc.) impinge upon the propensity of young Latino Arizonans to enroll in and complete a post-secondary education.

4.3. **Survey Design.** The successful bidder will work closely with ABOR staff to design a survey (or set of surveys) to identify the attitudes, behaviors, perceptions, barriers, and messaging impact influencing college degree attainment among Arizona’s Latino population. Surveys will be developed in both English and Spanish.

4.4. **Sample Identification.** The successful bidder will determine the sample size and sample period for the following target populations:
   - Latino parents of middle and high school students in Arizona.
   - Latino High School students in Arizona.
   - 18–24-year-old Latino High School graduates who have not enrolled in college.

4.5. **Survey Execution.** The successful bidder will work closely with ABOR staff to determine the appropriate method of distributing the surveys/polls to each target group (in person, telephone, online). The successful bidder will provide an indicative timeline for sample recruitment, data collection, analysis and presentation.

4.6. The successful bidder will distribute surveys/polls and collect data until a statistically valid response rate has been reached for each target group. The successful bidder will also identify and implement strategies designed to optimize the response rate for each respondent type.
4.7. **Data Collection and Analysis.** The successful bidder will create summary tables for all survey/poll questions. Summary data will be provided to ABOR. The successful bidder will describe and analyze any statistically significant differences in responses across key categories such as household income, parental educational attainment, geographic location, and immigration status. Appropriate statistical techniques will be employed to address key questions identified by ABOR. These findings and relevant background information will be included in a written report to ABOR and a slide deck.

4.8. The successful bidder will identify and detail methods to ensure data quality and security and will ensure that all data will remain confidential and anonymous at all times.

4.9. **Presentation of Findings.** The successful bidder will produce a slide deck outlining the key findings of the survey. The bidder will present the key findings to ABOR staff, Board members and any other audiences designated by ABOR.

4.10. **Warranties.**

4.10.1. Each Proposal shall state the warranties to be offered by Proposer.

4.10.2. Unless stated elsewhere in this RFP, ABOR expects that Proposer will provide the following warranties, at a minimum: (i) that all of the Contract services will be performed in a professional and workmanlike manner and in conformity with industry standards by persons reasonably suited by skill, training and experience for the type of services they are assigned to perform; (ii) that the Successful Proposer will comply, and will be responsible for ensuring its owner, members, employees, agents, contractors and subcontractors comply, with all applicable federal, state and local laws in the performance of a resulting Contract; (iii) that the Successful Proposer owns or has sufficient rights in all goods and services to be delivered by the Successful Proposer, and the goods and services delivered by the Successful Proposer will not infringe upon or violate any Intellectual Property of any third parties;

4.11. **Additional Services.** Proposer may offer additional goods and/or services not specifically requested in this RFP, including associated costs. ABOR shall determine, in its sole discretion, which additional goods/service options are the most beneficial from both a cost and service standpoint, and may further negotiate these options to include or omit, at any time throughout the Contract or any renewal term, dependent on the needs of ABOR.

4.12. **Quality Assurance Plan.** Proposals shall provide a quality assurance plan that details the methods by which the Proposer guarantees performance.
4.13. **Sustainability.**

4.13.1. ABOR is committed to buying products with recycled content or environmentally sustainable alternatives. Identify all environmentally sustainable features and supply all relevant specifications of offered products. Include in the Proposal, information regarding Proposer’s overall sustainable efforts.
5. **PRICING AND PAYMENT**

5.1. Proposer shall submit a detailed cost proposal to include all aspects of providing the scope of work associated with this RFP.

5.2. Any pricing and/or revenue offerings in a Proposal may be considered a final offer by ABOR, whether stated as amounts or percentages, and/or whether or not offered on an all-or-none basis, unless otherwise specified in the Proposal. ABOR may accept or reject in part or entirely a Proposal’s pricing and/or revenue offerings, unless otherwise specified in the Proposal. A Proposal’s pricing and/or revenue offering may not be modified after Opening unless ABOR, at its sole discretion, permits such modification. ABOR may reject any Proposal in which the pricing and/or revenue offering does not conform to the prescribed manner and method in this RFP.

In the event that a public records request is received by ABOR requesting records described as confidential, which ABOR determines must be disclosed, ABOR shall notify the other party prior to disclosure.

3. Interpretation-Parol Evidence. This writing shall be intended by the parties as a final expression of their Contract and shall be intended also as a complete and exclusive statement of the terms of their Contract. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in this Contract, the definition contained in the Code is to control.

4. Dispute Resolution. Except as otherwise provided herein, all Contract claims and controversies arising under this Contract shall be resolved pursuant to ABOR procurement procedures, Section 3-809, in particular Section 3-809(C) of the Code.

These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that the Offeror and any subcontractor(s) take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status, or disability.

6. Non-Discrimination. During the performance of this Contract, the Offeror agrees not to discriminate against any employee or applicant for employment because of race, color, sex, religion, or national origin, or because he or she has a disability, or because he or she is a

If necessary, the Offeror and ABOR will enter into a standard Business Associate Agreement and any other required Health Insurance Portability Accountability Act agreements. To the extent the terms thereof relate to the Offeror’s performance under this Contract, the provisions of such Business Associate Agreement shall control.

9. **Americans with Disabilities Act and Rehabilitation Act.** The Offeror will comply with all applicable provisions of the Americans with Disabilities Act, the Rehabilitation Act, and all applicable federal regulations.

All electronic and information technology and products and services to be used by ABOR staff, students, or other ABOR constituencies must be compliant with the Americans with Disabilities Act as amended and the Rehabilitation Act. Compliance means that a disabled person can acquire the same information, engage in the same interactions, and enjoy the same services as a nondisabled person, in an equally effective and integrated manner, with substantially equivalent ease of use.

9.1. **Electronic and Information Technology.** Any acquisition considered electronic and information technology "EIT" as defined by the Access Board at 36 CFR 1194.4 and in the FAR at 2.101 must comply with Section 508 (36 CFR Part 1194) and requires the submission of a completed Voluntary Product Accessibility Template “VPAT” so that ABOR may ascertain conformance. Offers without a completed VPAT may be disqualified from competition.
9.1.1. EIT is information technology “IT” and any equipment or interconnected system or subsystem of equipment that is used in the creation, conversion, or duplication of data or information. EIT includes, but is not limited to:

To facilitate testing the Offeror will, upon request, provide ABOR with access to the product being considered for purchase for a period of at least 30 calendar days.

9.2. Services and Products. An accessible service or product is one that can be used by as many people as possible, taking into account their physical, cognitive, emotional, and sensory differences.

directors, agents, employees, or subcontractors. This indemnity includes any claim or amount arising out of or recovered under the Workers’ Compensation Law or arising out of the failure of such Offeror to conform to any federal, state or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the Offeror from and against any and all claims. It is agreed that the Offeror shall be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. In consideration of the award of this Contract, the Offeror agrees to waive all rights of subrogation against the State of Arizona, its officers, officials, agents, and employees for losses arising from services performed by the Offeror for the State of Arizona.

11. **Labor Disputes.** The Offeror shall give prompt notice to ABOR of any actual or potential labor dispute which delays or may delay performance of this Contract.

12. **Force Majeure.** Neither party shall be held responsible for any losses resulting if the fulfillment of any terms or provisions of this Contract are delayed or prevented by any cause not within the control of the party whose performance is interfered with, and which by the exercise of reasonable diligence, said party is unable to prevent.

13. **No Waiver.** No waiver by ABOR of any breach of the provisions of this Contract by the Offeror shall in any way be construed to be a waiver of any future breach or bar ABOR’s right to insist on strict performance of the provisions of the Contract.

14. **Modifications.** This Contract shall be modified or rescinded only by a writing signed by both parties or their duly authorized agents.

15. **Assignment-Delegation.** No right or interest in this Contract shall be assigned or delegation of any obligation made by the Offeror without the written permission of ABOR. Any attempted assignment or delegation by the Offeror shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

16. **Assignment of Anti-Trust Overcharge Claims.** The parties recognize that in actual economic practice overcharges resulting from anti-trust violations are in fact borne by the ultimate purchaser; therefore, the Offeror hereby assigns to ABOR any and all claims for such overcharges.

17. **Cancellation for Lack of Funding.** This Contract may be canceled without any further obligation on the part of ABOR in the event that sufficient appropriated funding is unavailable to assure full performance of the terms. The Offeror shall be notified in writing of such non-appropriation at the earliest opportunity.
18. **Cancellation for Conflict of Interest.** In accordance with A.R.S. § 38-511, this Contract may be canceled without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract on behalf of ABOR shall, at any time while the Contract or any extension of the Contract shall be in effect, be an employee of any other party to the Contract in any capacity or a consultant to any other party of the Contract with respect to the subject matter of the Contract.

19. **Termination.** ABOR may terminate this Contract with or without cause upon 30 days written notice to the Offeror. If this Contract is terminated, ABOR shall have no further obligations other than payment for services already rendered and for expenses previously incurred.

20. **Insolvency.** ABOR shall have the right to terminate this Contract at any time in the event the Offeror files a petition in bankruptcy, or is adjudicated bankrupt; or if a petition in bankruptcy is filed against the Offeror and not discharged within 30 days; or if the Offeror becomes insolvent or makes an assignment for the benefit of its creditors or an arrangement pursuant to any bankruptcy law; or if a receiver is appointed for the Offeror or its business.

21. **Anti-Kickback.** In compliance with FAR 52.203-7, ABOR has in place and follows procedures designed to prevent and detect violations of the Anti-Kickback Act of 1986 in its operation and direct business relationships. As a party to the Contract, the Offeror is expected to comply with the Copeland "Anti-Kickback" Act (18 U.S.C. § 874) as supplemented in the Department of Labor regulations (29 C.F.R. Part 3). In as such this regulation applies to all contracts and sub grants for construction or repair.

22. **Gratuities.** ABOR may, by written notice to the Offeror, cancel this Contract if it is found by ABOR that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Offeror, or any agent or representative of the Offeror, to any officer or employee of the State of Arizona with a view toward securing a Contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such Contract. In the event this Contract is canceled by ABOR pursuant to this provision, ABOR shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Offeror in providing such gratuities.

23. **Inspection and Audit.** In accordance with A.R.S. § 35-214, the Offeror shall retain and shall contractually require each subcontractor to retain all books, accounts, reports, files, and other records relating to this Contract for a period of five years after completion of this Contract. All records shall be subject at all reasonable times to inspection and audit by ABOR or the Auditor General of the State of Arizona, or their agents. Such records shall be produced at ABOR or such other location as designated by ABOR upon reasonable notice to the contracting party.
24. **Sales and Use Tax.** The Offeror shall comply with and require all of their subcontractors to comply with all the provisions of the applicable state and sales excise tax law and compensation use tax law and all amendments to same. The Offeror further agrees to indemnify and save harmless ABOR, of and from any and all claims and demands made against it by virtue of the failure of the Offeror or any subcontractor to comply with the provisions of any or all said laws in amendments. ABOR is not exempt from state sales excise tax and compensation use tax.

25. **Changes.** Within the limits allowed by law, the Offeror agrees that ABOR may order additional services, or make changes by altering, adding to, or deducting from the proposed services, the Contract sum being adjusted accordingly, and the Offeror shall enter into a modification of the Contract to reflect said changes.

26. **Invoices.** Invoices will be emailed to accounting@azregents.edu. Invoices will be for all services delivered within the month. All invoices shall reference the Contract.

27. **Payment.** Payment shall be subject to the provisions of Title 35 of Arizona Revised Statutes relating to time and manner of submission of claims. Any obligation under this contract shall be payable only and solely from funds appropriated for the purpose of the Contract.

28. **Personnel.** Employees of the Offeror assigned to the project and identified by name in the Contract shall remain dedicated to this project. Personnel changes shall be permitted only with prior notification and approval of ABOR.

29. **Independent Contractor.** It shall be understood that the Offeror shall operate as an Independent Contractor, not as an employee or agent of ABOR.

30. **Service Marks and Trademarks.** For purposes of this provision, the phrase "ABOR Mark" means any trade name, trademark, service mark, logo, domain name, and any other distinctive brand feature owned or used by ABOR. The Offeror agrees to comply with ABOR’s trademark licensing program concerning any use or proposed use by the Offeror of any of ABOR Mark on goods, in relation to services, and in connection with advertisements or promotion of the Offeror or its business. Except as expressly authorized in this Agreement, the Offeror is not permitted to use any ABOR Mark without prior written approval of ABOR. Prior to any use of an ABOR Mark by the Offeror or its affiliates or successors or assigns, the Offeror will comply with ABOR’s Licensing Policy.

31. **Advertising/Publishing.** The Offeror shall not advertise or publish, without ABOR’s prior consent, the fact that ABOR had entered into this Contract, except to the extent necessary to comply with proper request for information provided by appropriate statues.

32. **Legal Workers.** Pursuant to A.R.S. § 41-4401, ABOR is prohibited after September 30, 2008 from awarding a Contract to any Offeror who fails, or whose subcontractors fail, to comply
with A.R.S. § 23-214(A). The Offeror warrants that it complies fully with all federal immigration laws and regulations that relate to its employees, that it shall verify, through the U.S. Department of Homeland Security’s E-Verify program, the employment eligibility of each employee hired after December 31, 2007, and that it shall require its subcontractors and sub-subcontractors to provide the same warranties to the Offeror.

The Offeror acknowledges that a breach of this warranty by the Offeror or by any subcontractor or sub-subcontractor under this Contract shall be deemed a material breach of this Contract, and is grounds for penalties, including termination of this Contract, by ABOR. ABOR retains the right to inspect the records of any Offeror, subcontractor, and sub-subcontractor employee who performs work under this Contract, and to conduct random verification of the employment records of the Offeror and any subcontractor and sub-subcontractor who works on this Contract, to ensure that the Offeror and each subcontractor and sub-subcontractor is complying with the warranties set forth above. The portion of this provision dealing with the Offeror’s warranty is not applicable where the Offeror is a governmental entity nor is the Offeror required to pass this provision through to subcontractors and sub-subcontractors who are governmental entities.

33. **Data Ownership.** ABOR will own, or retain all of its rights in, all data and information that ABOR provides to the Offeror, as well as all data managed by the Offeror on behalf of ABOR including all output, reports, analyses, and other materials relating to or generated by the services, even if generated by the Offeror, as well as all data collected, extracted, or received through ABOR's or the Offeror's use of the services or deliverables (collectively, "ABOR Data"). ABOR Data shall be considered ABOR's confidential information. The Offeror shall not use, access, disclose, or license or provide to third parties, any ABOR Data, or any materials derived therefrom, except, in each case, as authorized in writing by ABOR. Without limiting the generality of the foregoing, the Offeror may not use any ABOR Data, whether or not aggregated or de-identified, for product development, marketing, profiling, benchmarking, or product demonstrations, without, in each case, ABOR's prior written consent.

34. **Non Disclosure and Trade Secrets.** The Offeror may receive (or has received) from ABOR and otherwise be exposed to confidential and proprietary information relating to ABOR’s business practices, strategies, and technologies, ABOR Data as well as confidential information to ABOR necessary to perform the services and/or provide the deliverables (collectively, ABOR Confidential Information). ABOR Confidential Information may include, but not limited to, confidential and proprietary information supplied to the Offeror with the legend “ABOR Confidential and Proprietary” or other designations of confidentiality. As between the Offeror and ABOR, ABOR Confidential Information is the sole, exclusive, and valuable property of ABOR. Accordingly, the Offeror will not reproduce or otherwise use any of ABOR Confidential Information except in the performance of the Services or the provision of the Deliverables and will not disclose any of ABOR Confidential Information in any form to any third party, either during or after the Term, except with ABOR’s prior written consent. Upon termination of the Contract, the Offeror will cease using and will return to ABOR, all originals
and all copies of ABOR Confidential Information, in all forms and media, in the Offeror’s possession or under the Offeror’s control. In addition, the Offeror will not disclose or otherwise make available to ABOR any confidential information of the Offeror or received by contractor from any third party.

The Offeror will have no obligation to maintain as confidential any ABOR Confidential Information (other than ABOR Data) that the Offeror can show: (i) was already lawfully in the possession of or known by the Offeror before receipt from ABOR; (ii) is or becomes generally known in the industry through no violation of the Contract or any other agreement between the parties; (iii) is lawfully received by the Offeror from a third party without restriction on disclosure or use; (iv) is required to be disclosed by court order following notice to ABOR sufficient to allow ABOR to contest such order; or (v) is approved in writing by ABOR for release or other use by the Offeror.

35. **Payment Card Industry Data Security Standard.** For e-commerce business and/or credit card transactions, the Offeror agrees to be bound by the requirements and terms of the Rules of all applicable Card Associations, as amended from time to time and be solely responsible for security and maintaining confidentiality of Card transactions processed by means of electronic commerce up to the point of receipt of such transactions by Bank.

The Offeror is required to be in compliance with the current or successor standard for Payment Card Industry Data Security Standard “PCI DSS”, Payment Application Data Security Standard “PA DSS” for software and PIN Transaction Security “PCI PTS” for hardware and provide attestation of compliance annually. 35.2. The Offeror treats ABOR network as an untrusted network and encrypts all cardholder data traversing ABOR network using industry standard encryption algorithms.

35.3. A system where ABOR has no ability to decrypt cardholder data.

35.4. Devices must be Secure Reading and Exchange of Data “SRED” and PTS 3.x compliant. Europay, MasterCard and Visa “EMV” compliance is required by October 1, 2015.

(b) The Offeror shall provide immediate written notice to ABOR if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification
will be considered in connection with a determination of the Offeror’s responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by ABOR may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, ABOR may terminate the contract resulting from this solicitation for default.
