## SECTION B

## BACKGROUND INFORMATION AND TIMELINE

---

The Arizona public university enterprise employs an entrepreneurial approach with an innovative leadership and organizational design that recognizes each university's unique mission; holds the enterprise to the highest standards of quality and accountability; and works collaboratively to achieve statewide goals.

In the areas of health sciences, each public university likewise has unique health sciences programs including academic, clinical and research assets that support, in various ways, Arizona's health workforce needs. ABOR has a role in setting an enterprise vision around these health sciences assets, encouraging coordination and collaboration across those assets to support statewide goals to advance Arizona's health workforce, improve clinical care delivery, support health-related research and spur innovation.

The first step in modernizing this vision is developing a comprehensive inventory of health sciences assets across the entire Arizona public university enterprise to inform opportunities to strengthen Arizona's health workforce. ABOR is seeking a consultant to develop this inventory and make recommendations regarding enterprise organization.

This Agreement will be non-exclusive and ABOR reserves the right to continue to identify and or use other consultants to the extent it deems necessary to effectuate ABOR's mission.

Selected Offeror(s) will be required to enter into a Contract with ABOR. The Contract shall not bind nor purport to bind ABOR for any contractual commitment in excess of the original contract period. ABOR shall have the right, at its sole discretion, to renew the Contract for a total contract period not to exceed 5 years. If ABOR exercises such rights, all terms, conditions, and provisions of the original Contract shall remain the same and apply during the renewal period.

**Material Breach:** Failure on the part of the Offeror to meet these requirements shall constitute a material breach upon which the State of Arizona and ABOR may immediately terminate this Contract, or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, and all monies so paid by the State of Arizona and ABOR shall be repaid by the Offeror to ABOR upon demand, or the State of Arizona and ABOR may offset the cost of the premiums against any monies due to the Offeror.

Costs for coverage broader than those required or for limits in excess of those required shall not be charged to the State of Arizona and ABOR.

25. **Sales and Use Tax.** The Offeror shall comply with and require all of their subcontractors to comply with all the provisions of the applicable state and sales excise tax law and compensation use tax law and all amendments to same. The Offeror warrants that it complies fully with all federal immigration laws and regulations that relate to its employees, that it shall verify, through the U.S. Department of Homeland Security's E-Verify program, the employment eligibility of each employee hired after December 31, 2007, and that it shall require its subcontractors and sub-subcontractors to provide the same warranties to the Offeror.

The Offeror acknowledges that a breach of this warranty by the Offeror or by any subcontractor or sub-subcontractor under this Contract shall be deemed a material breach of this Contract, and is grounds for penalties, including termination of this Contract, by ABOR. ABOR retains the right to inspect the records of any Offeror, subcontractor, and sub-subcontractor employee who performs work under this Contract, and to conduct random verification of the employment records of the Offeror and any subcontractor and sub-subcontractor who works on this Contract, to ensure that the Offeror and each subcontractor and sub-subcontractor is complying with the warranties set forth above. The portion of this provision dealing with the Offeror's warranty is not applicable where the Offeror is a governmental entity nor is the Offeror required to pass this provision through to subcontractors and sub-subcontractors who are governmental entities.

34. **Data Ownership.** ABOR will own, or retain all of its rights in, all data and information that ABOR provides to the Offeror, as well as all data managed by the Offeror on behalf of ABOR including all output, reports, analyses, and other materials relating to or generated by the services, even if generated by the Offeror, as well as all data collected,

extracted, or received through ABOR's or the Offeror's use of the services or deliverables (collectively, "ABOR Data"). ABOR Data shall be considered ABOR's confidential information. The Offeror shall not use, access, disclose, or license or provide to third parties, any ABOR Data, or any materials derived therefrom, except, in each case, as authorized in writing by ABOR. 35. **Non-Disclosure and Trade Secrets.** The Offeror may receive (or has received) from ABOR and otherwise be exposed to confidential and proprietary information relating to ABOR's business practices, strategies, and technologies, ABOR Data as well as confidential information to ABOR necessary to perform the services and/or provide the deliverables (collectively, ABOR Confidential Information). ABOR Confidential Information may include, but not limited to, confidential and proprietary information supplied to the Offeror with the legend "ABOR Confidential and Proprietary" or other designations of confidentiality. As between the Offeror and ABOR, ABOR Confidential Information is the sole, exclusive, and valuable property of ABOR. Accordingly, the Offeror will not reproduce or otherwise use any of ABOR Confidential Information except in the performance of the Services or the provision of the Deliverables and will not disclose any of ABOR Confidential Information in any form to any third party, either during or after the Term, except with ABOR's prior written consent. Upon termination of the Contract, the Offeror will cease using and will return to ABOR, all originals and all copies of ABOR Confidential Information, in all forms and media, in the Offeror's possession or under the Offeror's control. In addition, the Offeror will not disclose or otherwise make available to ABOR any confidential information of the Offeror or received by contractor from any third party.

The Offeror will have no obligation to maintain as confidential any ABOR Confidential Information (other than ABOR Data) that the Offeror can show: (i) was already lawfully in the possession of or known by the Offeror before receipt from ABOR; (ii) is or becomes generally known in the industry through no violation of the Contract or any other agreement between the parties; (iii) is lawfully received by the Offeror from a third party without restriction on disclosure or use; (iv) is required to be disclosed by court order following notice to ABOR sufficient to allow ABOR to contest such order; or (v) is approved in writing by ABOR for release or other use by the Offeror.

36. **Payment Card Industry Data Security Standard.** For e-commerce business and/or credit card transactions, the Offeror agrees to be bound by the requirements and terms of the Rules of all applicable Card Associations, as amended from time to time and be solely responsible for security and maintaining confidentiality of Card transactions processed by means of electronic commerce up to the point of receipt of such transactions by Bank.

The Offeror is required to be in compliance with the current or successor standard for

Payment Card Industry Data Security Standard "PCI DSS", Payment Application Data Security Standard "PA DSS" for software and PIN Transaction Security "PCI PTS" for hardware and provide attestation of compliance annually. The technical solution must include the following:

- 36.1. The Offeror maintains their own network operating on their own dedicated infrastructure. The Offeror's network includes a firewall that includes access control rules that separate the Offeror's PCI network from ABOR and restricts any communication between the Offeror's network devices and ABOR systems.
  - 36.2. The Offeror treats ABOR network as an untrusted network and encrypts all cardholder data traversing ABOR network using industry standard encryption algorithms.
  - 36.3. A system where ABOR has no ability to decrypt cardholder data.
  - 36.4. Devices must be Secure Reading and Exchange of Data "SRED" and PTS 3.x compliant. Europay, MasterCard and Visa "EMV" compliance is required by October 1, 2015.
37. **Participation in Boycott of Israel.** Pursuant to A.R.S. §§ 35-393 and 35-393.01, the Offeror certifies that it is not currently engaged in and agrees, for the duration of the Contract, to not engage in a Boycott of Israel.
38. **Essence of Time.** Time shall be of the essence as to matters contemplated by a resulting Contract under this RFP.

REQUEST FOR PROPOSAL

ARIZONA BOARD OF REGENTS  
REQUEST FOR CONSULTANT TO INVENTORY THE  
ARIZONA PUBLIC UNIVERSITY ENTERPRISE HEALTH SCIENCE ASSETS  
RFP 2022002

AMENDMENT 1

The Arizona Board of Regents received the following questions for RFP 2022002 for a consultant to inventory the Arizona public university enterprise health science assets.

1. Section E-1.2 "If selected for negotiations, the Offeror may be required to provide the last two years of audited financial statements."

Privately held corporations are not required under the Securities and Exchange (SEC) Act of 1934 to publicly file financial statements or publish the quarterly financials for the general public or Government (aside from tax filings). In lieu of financial statements, will the Board of Regents accept a comfort letter from a company's Controller confirming the organization's gross revenues, shareholders' equity, comprehensive income, and working capital? We have found on previous occasions that this has answers all questions about our financial strength that clients may have had.

**Answer:** Yes, that would be acceptable. In addition, financial information may be placed in a separate envelope and marked "Proprietary Information" per ABOR Policy 3-801D. to the extent the ABOR Director, Administration concurs, this information shall be considered confidential and not public information, as stated in Section C.8 of RFP 2022002.

2. Are there incumbent contractors providing similar services to the Board of Regents currently? If so, will the Board of Regents provide the list of incumbents?

**Answer:** The Board does not have an incumbent contractor.

3. Is Board of Regents able to offer either a broad budget range or a not-to-exceed budget, so that prospective bidders may make informed decisions when developing their proposal response?
